Re: Claudette DeLeon

Claudette DeLeon continues to be a patient under the combined care of myself and Gregoy Richards, M.D., for the treatment of severe recurrent depression. Based on her current condition I have advised her that it would not be in her best interest psychologically to be involved in an evaluative meeting today at 3:00 PM. If there are any questions regarding this, please feel free to contact this office.

Sincerely,

Michael Mercatoris, Ph.D.
